Hey CARtoons,
How are ya? Loved the issue with the Shawn Kerri cover. The back cover was a gas also. Keep having Millar in CARtoons and how about a bio on him?

Jim Creason
Los Angeles CA

Hi Irving,
Thought I'd drop you and line and tell you that CARtoons is really lookin' good, Ol' Den-Den must be doing something right. I enjoy the magazine and look forward to each issue. Oh, one thing I don't really think is all that hot . . . Those satires on Hot Rod and Car Craft, for some reason I don't find them all that good. I'm not really a reader of those titles, so perhap I'm missing the joke. Anyway, I love your book . . . HOW ABOUT SUBS???

Kevin Hardin
Winston Salem NC

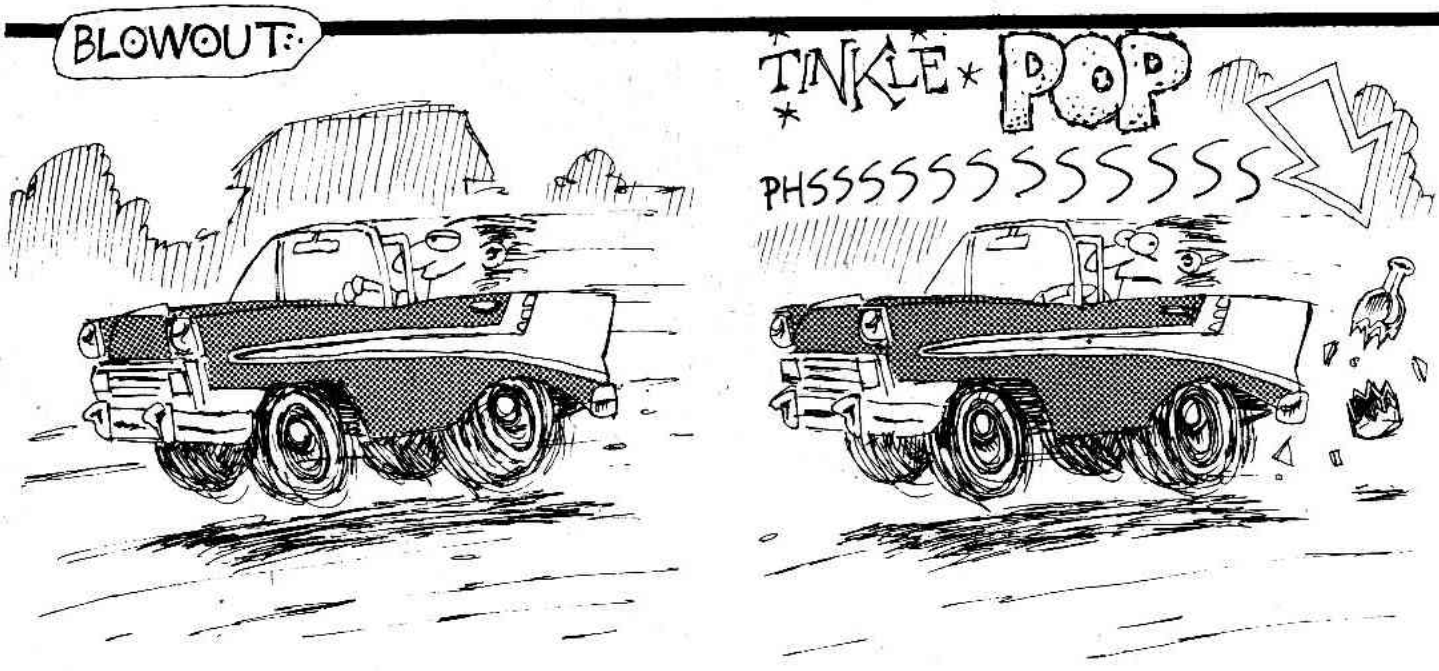
—Thanks for the opinion Kev. It's good to hear from readers and if they have something they don't like, it's good to let us know. Subs you say? Well, don't get your hopes too high, but things are at this writing, being discussed.

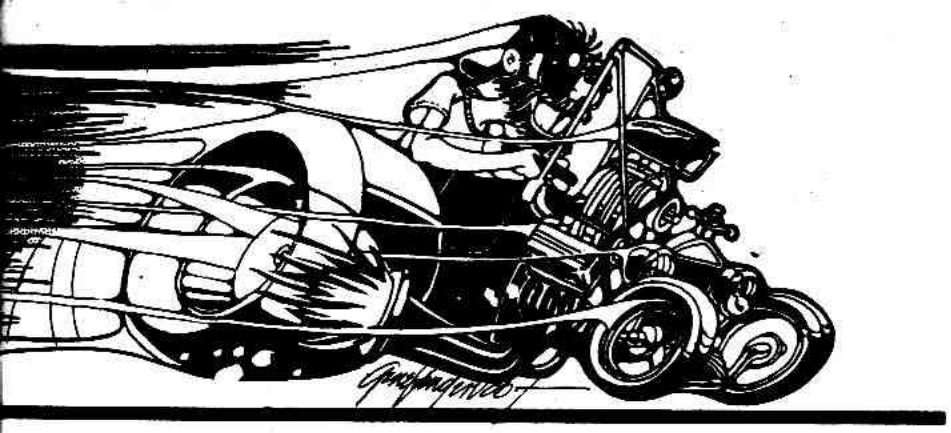
Please tell Rogerio to draw a little less hetic, his stuff is great, but awful hard to follow sometimes.

Dennis Johns,
On vacation

Dear Cartoons,
The satire on Hot Rod mag was great. I read Hot Rod each month and the satire was funny as all get out (can't swear, right?) I fell down at the funny Summit ad. Best to Ron Harris and Sharman Divono.

Mark Willis
Van Nuys CA





Dear Irving,
Yes, I want Hogg Ryder back. Now for the real reason I'm writing, remember back in '75 when you said "All in one bag now"? Well it's been a long time since you did a story or a feature on motorcycles (you know those little things with the 2-wheels). Thanks for hearing me out.

Ralph Gladwin
Princeton, B.C. CANADA
P.S. Don't try to edit this 'cause I have connections

—We wouldn't think of it. Hey, anybody else out there want the Hogger back?

Dear CARtoons,
I just started reading your mag. A friend of mine (Jeff Wilson) turned me on to a few back issues he had. I loved your mag so much I went out and got my own copy. I like to draw cars, and when I saw your How-To Draw section I freaked out and started to draw lost of cartoons. I've already sent in four My Wheels pictures. I hope you like them. I'm looking forward to your new issue.

Greg Naile
Virginia Beach, VA

—So are we. Thanks for the time.

Dear Irving,
I am having a very hard time finding CARtoons, the palces that do have your mag sell out very quickly. Please start sending subcriptions. Another thing I wish you would bring back the O'l Mechanic. Your iron-ons are great I love them.

Eric Lutz
Newport, OR

—We will think about it.

Hey CARtoons,
I've been reading your magazine for some time now, but, I miss Unk and the Varmints. Are you ever going to bring them back? Krass & Bernie in the May/June 1981 issue wasn't so hot. It was alright but not to funny. Keep up the good work Shawn Kerri. I would like to see more Camaros and 18 wheelers.

Jimmy Johnson
Ochelata, OK

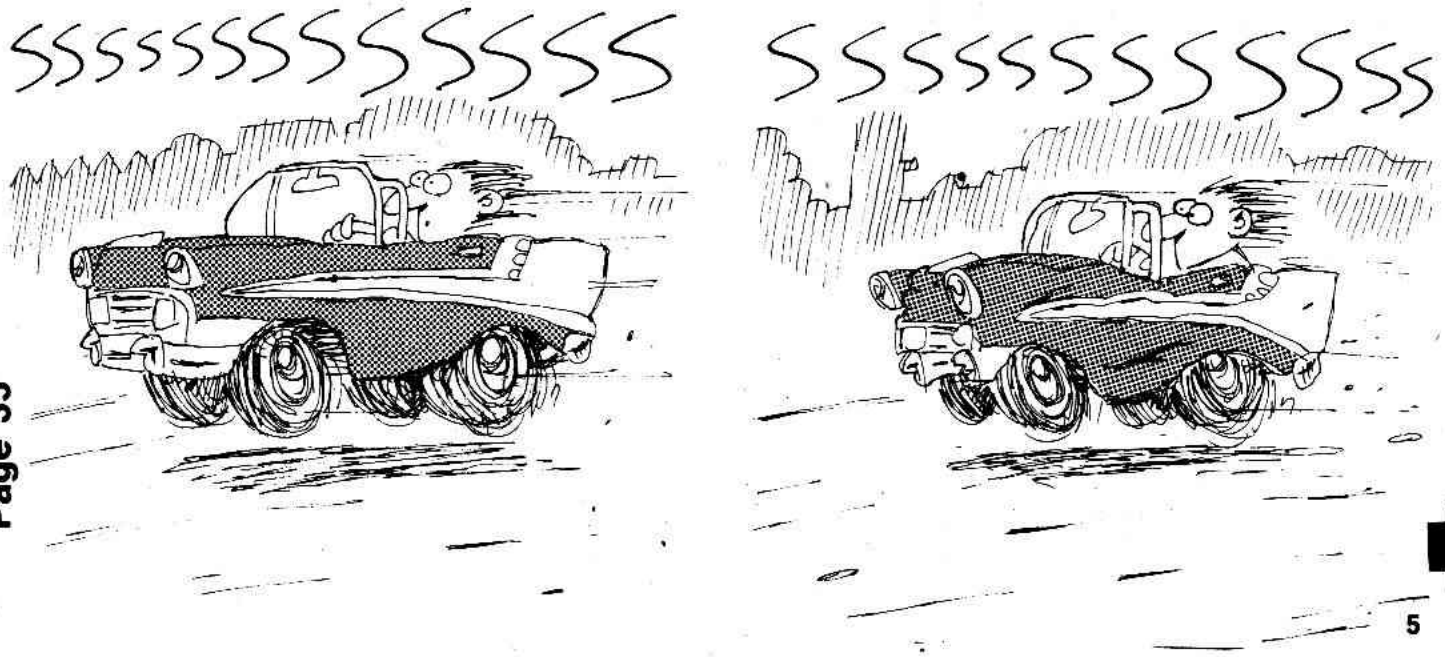
—Oh, George . . . . there's a Shawn Kerri on your tail.

Hey . . . What happened to Steve Austin? It said on the back cover that he was going to have new things in that issue . . . He wasn't even in the issue, what gives?

Andrew Hoppens
Memphis TN

with "Raiders of the Lost Part"

CARtoons goes to the movies
Page 35



—Aha, someone noticed. Well, Andy, sometimes no matter how hard we here at CARtoons plan, things go wrong. The covers are printed up long before the rest of the mag and we did have Austin lined up for new things but he got behind and we are sorry. At this writing, Steve Austin is being held in our basement and is being given only drawing paper to eat and India Ink to drink . . . He'll be along soon.

Just a quick note to say that the Stupendous Stunts by Ellefson was excellent. I really felt sorry for Wayland N. Willie, or was that Willie N. Waylund? Good story, good idea, good art. More, please.

Dan Neilsen
Ohio

—Thanks Dan. Now Ellefson will get a big head. All kidding aside, nice to hear from you. It was Willie N. Waylund by the way.

Dear CARtoons,
I was starting to think you quit publishing CARtoons. I couldn't find your mag for about a year. When I finally found it, I was surprised at the little changes. Shawn Kerri is really good. I liked "Holley Days on Wheels". One thing that got me was "Track Record" it was too hard to follow. I love the mag, keep it easy to understand.

Jamie Cawley
Scottsbluff, NE

—See? what did we tell you, Rogerio?

Dear CARtoons,
I like your magazine alot but, I would like to make @#&%*# comment about Quick Irving. (You know, the guy who has got a smart remark for everyone who writes in) Readers are going to quit reading CARtoons because of the snide comments he makes about them. I also got mad because of the gross things you put on the Ol' Mechinac. Well, I'll be waiting to read what kind of smart-alecky remark Irving is ging to make about my letter.

John Hughes
Whittier, CA

—Dear John, Thank you very much for your letter. I enjoyed hearing from you. As for wise creaks, it's all meant to be in the sprit of fun. I hope you will understand that I like to kid around and should not be taken too seriously. Hang in there.

This is my first letter to any magazine and I think yours is the greatest. I've been reading CARtoons for about a year now. Listen all you opiniated people out there, we all know the '69 GTO Dodge is the best. Hey Irv, how about a whole issue of just Krass & Bernie? Well it's been nice rappin with ya. Keep up the good work Trosley.

Ken Natkins
Shipshewona, IN

—A whole issue? Trosley could retire.

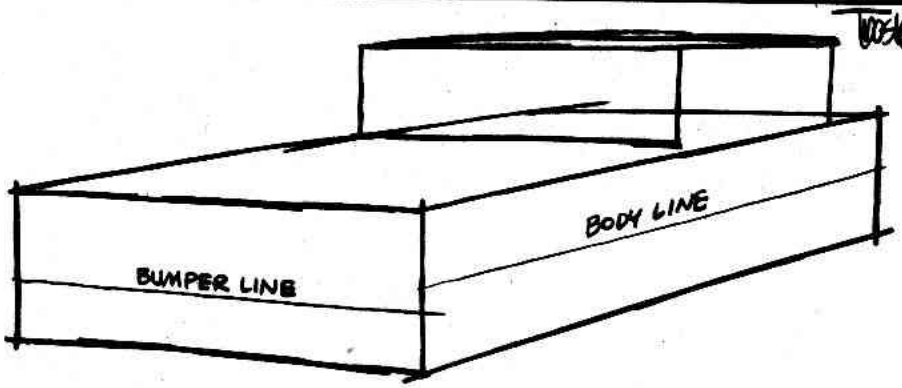
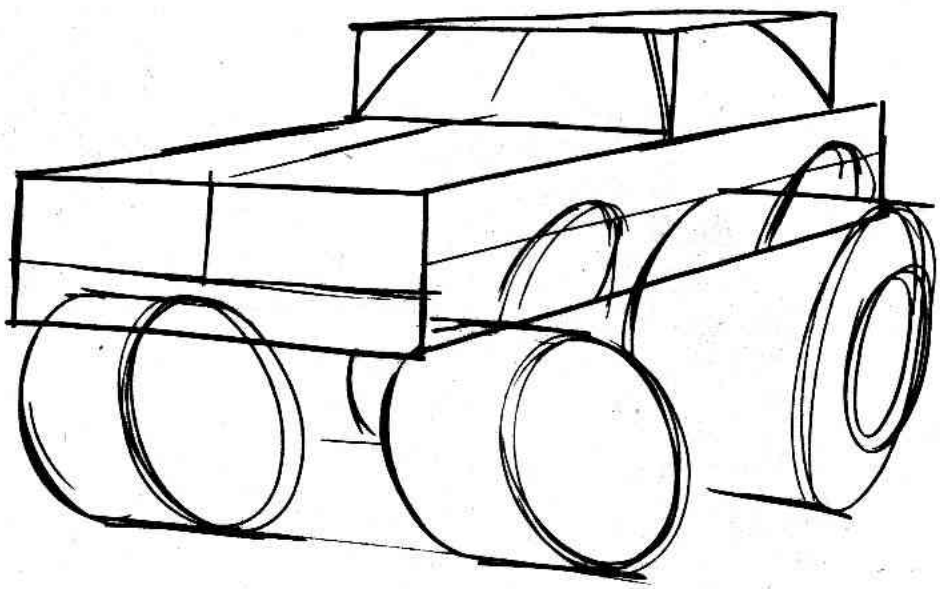
HOW TO DRAW: CAMARO Z 28

OKAY KIDS... LET'S TRY SOMETHING A LITTLE **TRICKY** THIS TIME ... A **CAMARO "Z"**. AS USUAL WE'LL START WITH **TWO BOXES**. NOTE THE **BODY LINE** ON THE SIDE FALLS IN THE MIDDLE WHILE THE **BUMPER LINE** IS A BIT LOWER IN FRONT.

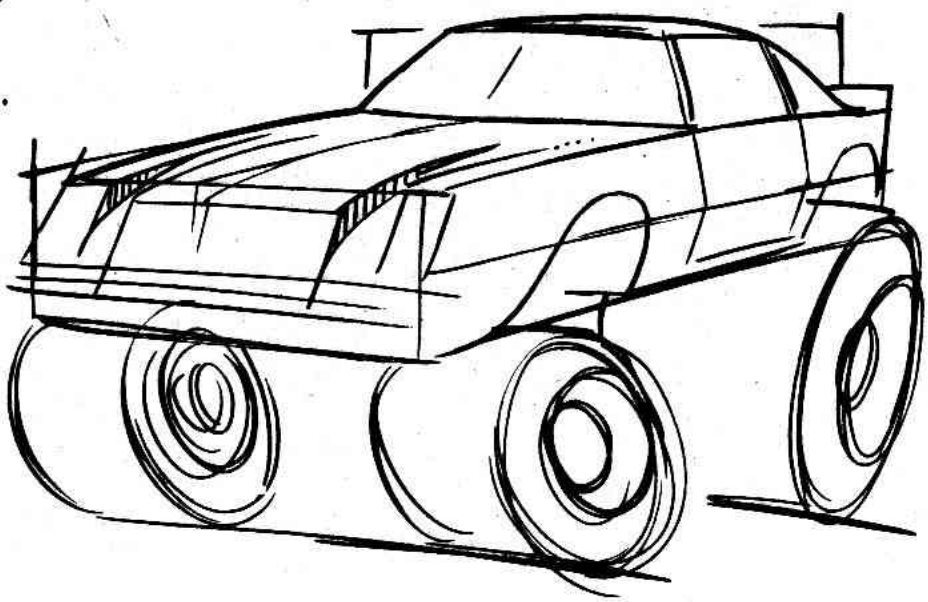


NOW WE **LOOSELY ROUGH IN THE TIRES** TRYING TO GIVE THEM A FEELING OF **MOVEMENT** AND **SPEED**. **GUIDE LINES** HELP KEEP BOTH SIDES **UNIFORM**. WE CAN ALSO BEGIN PICKING THE **ROOF** OUTA' THE TOP BLOCK - ***ALREADY*** WE GOT THE LOOK OF THE **CAMARO** WORKIN' AND MOVIN'!

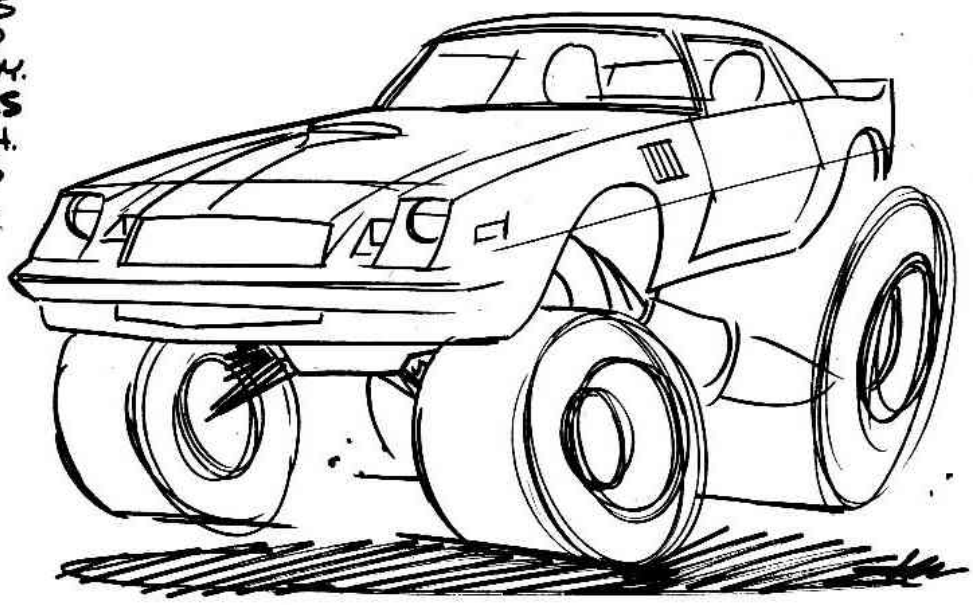


THE **FRONT END** IS KINDA' TOUGH SO GET THIS PART DOWN GOOD. **ANGLE OFF** THE FRONT OF THE Z AS SHOWN AND ROUGH IN THE **GRILL** AND **HEAD LIGHT CAVITIES**. NOTE HOW THEY HELP TO **SCULPT** THE **HOOD** AREA. WORK **TO** AND **THROUGH** THE BUMPER LINE.

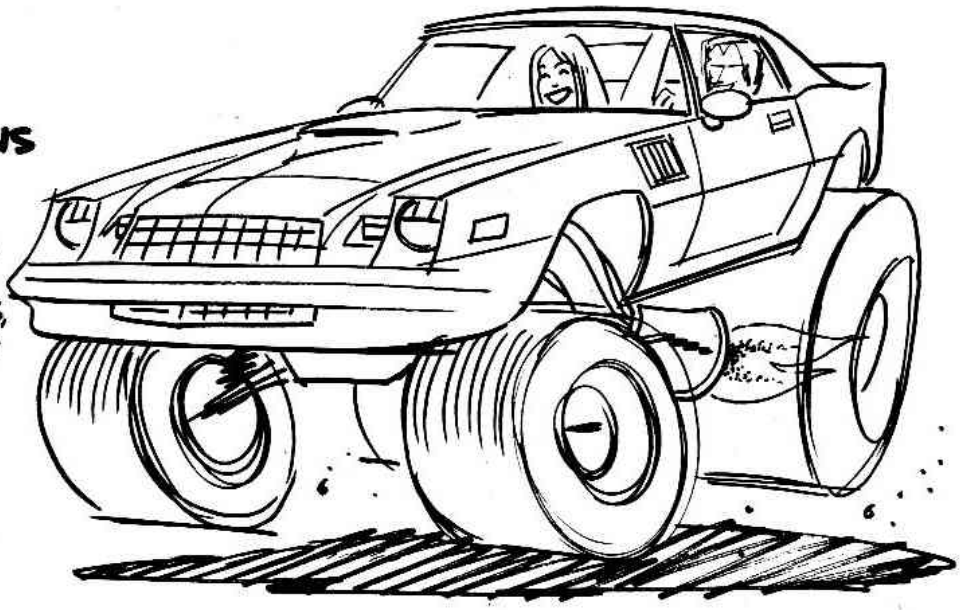
THE **ROOF** AN' **WINDSHIELD** CAN NOW BE **CUT OUT** OF THE BOX TOO. ROUGH IT IN **CAREFULLY** ADDING THE **DOOR** POSITIONING AND THE **REAR SPOILER**. THE TIRES CAN BE WORKED UP AT THIS POINT TOO. LOOSELY ROUGH IN **CONTOUR** AND **RIMS**.



LOTS TO DO... ADD HEADLIGHTS AN' BUMPER TO FRONT - MOLD EVERYTHING INTO THE BODY. ROUGH IN THE **BIG HEADERS** WITH A **BIG FLAME** TO MATCH. POSITION THE **PASSENGERS** AND **INTERIOR WINDOWS.** BODY STUFF SUCH AS THE **HOOD SCOOP** AND **SIDE LOUVERS** CAN BE BLOCKED IN. SUSPENSION AND OIL PAN UNDERNEATH ARE ROUGHED IN HERE TOO. INDICATE SOME KIND OF **SHADOW** UNDER THE CAMARO AT THIS POINT TO GET IT **HOPPING.**



OKAY - THIS IS IT... THE **FINAL PENCIL WORK.** TIGHTEN UP ALL YOU'VE DONE AND **CHECK IT** FOR **CORRECT PROPORTIONS** SIZE ETC. - *JUST MAKE SURE IT LOOKS RIGHT TO YOU!* ADD **GRILLWORK, PARKING LIGHTS** AND DETAILS LIKE DOOR HANDLES, SIDE MIRRORS AND CHROME STUFF... CHECK YOUR ART AGAINST WHAT'S HERE.



INKING CAN BE **FUN** AND IF YOU'VE FOLLOWED MOST OF THE STEPS SO FAR, IT **WILL** BE. I LIKE TO USE A FINE TIPPED **FELT TIP PEN** AND A REGULAR ONE FOR THE BLACK AREAS SO I DON'T **RUIN** THE TIP OF THE FINE ONE. **BALL POINT PEN** IS OKAY TOO. CAREFULLY **OUTLINE** THE **BODY** AND **TIRES** LEAVING THE HEAVY DARKS FOR LAST. I KINDA' LIKE **FLAME PAINT JOBS** SO MY Z'S GOT ONE. **DARKS** ON **TIRES** CAN BE USED TO GET THAT **SPINNING** LOOK. ALSO, LIGHT AREAS AROUND THE EXHAUST AND BOTTOM OF THE TIRES HELP A BUNCH... **GO MAGIC FINGERS!**

STILL HEATIN' UP AINT SHE, FRANK?

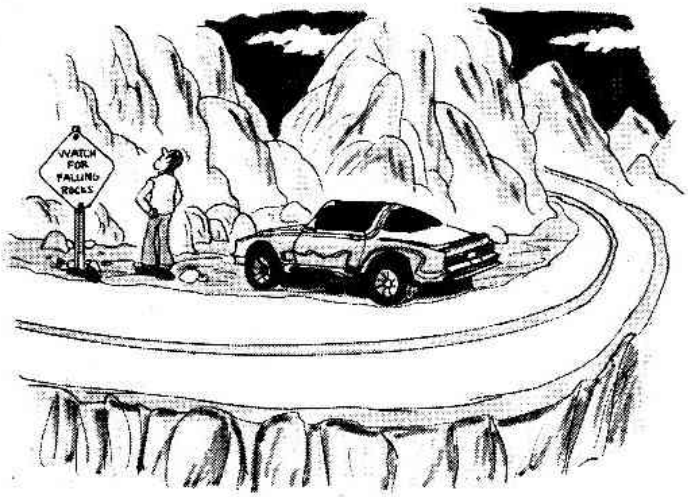
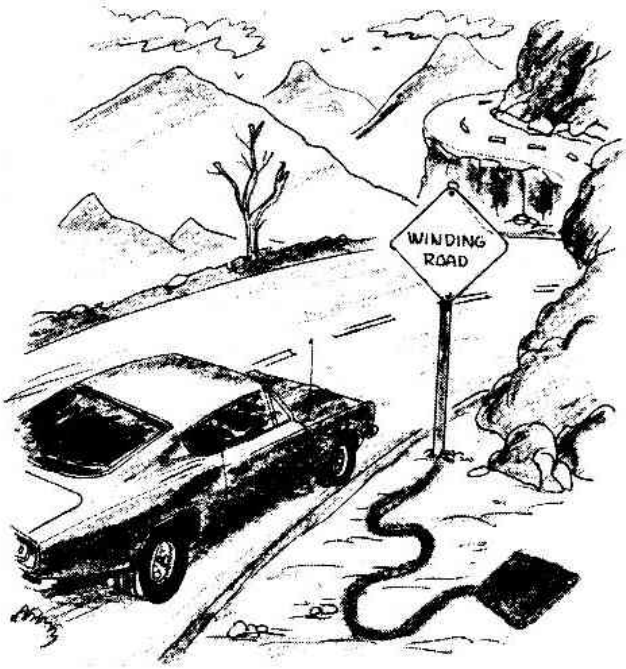
. . . Hopes that you will "howell" over these.

"You've said 'Hmmm' six times . . . What does that mean, moneywise?"

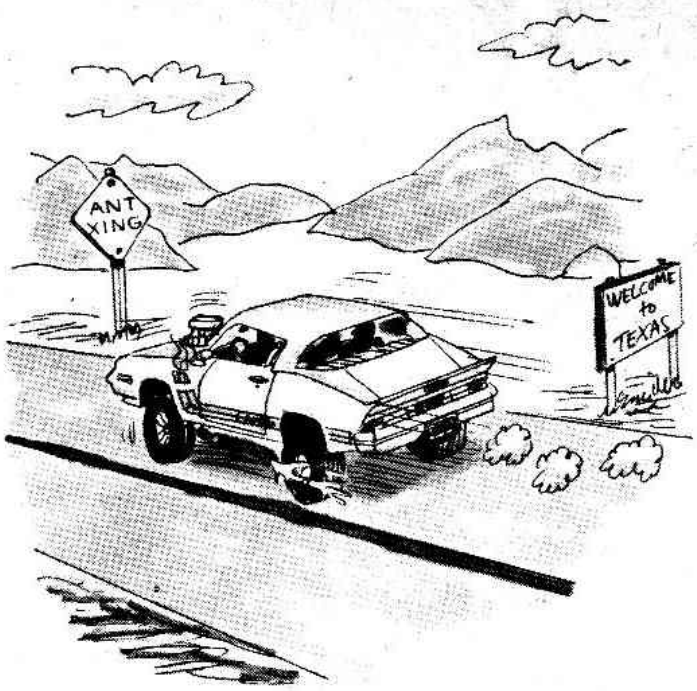


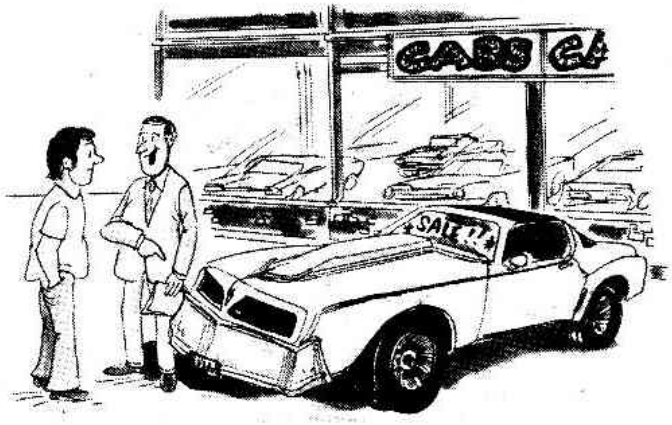


"Now this time wait until I open the hood before you start saying how bad it looks."

"With this car I get around three tickets to the gallon."

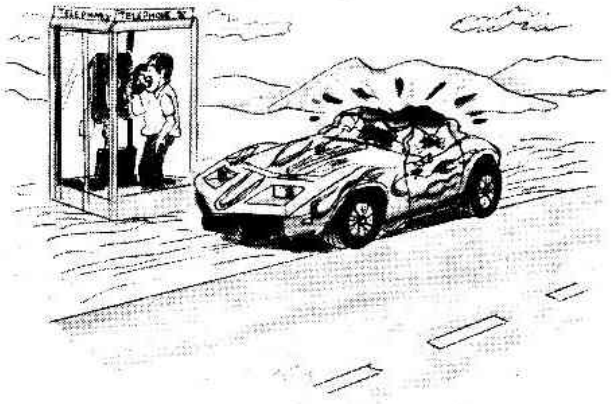
"No, Tim, I'm not going out with you because your Dad gave you this new Camaro . . . I'd have gone out with you no matter *who* gave it to you."





"Another nice feature about this baby is that it has ten times more room for bumper stickers."

"Would you be so kind as to point out again where the dirt spot is again?"



"I'd like to report a low-flying aircraft."

"And now for the car your Uncle left you in his will."
